

ELL made EASY.

Project ELL specifically tracks and monitors ELL student achievement on a user-friendly platform customized to fit your processes.

“For the first time, we’ve got a program that will be able to be adapted to our needs for our district and help our teachers meet the needs of our ELL students.”

Debra Estes

Coordinator ESOL/Migrant Services, Manatee County Public Schools

“The district doesn’t change for the program; the program changes for the district. Having this ability allows a district, big or small, to move their team with what they already know and continue their LPAC processes with a minimal learning curve. Time is of the essence, and having this option keeps the district right in line with documentation and allows the true focus to be on the instruction for ELLs.”

Norma Garcia - Director of Special Programs/Multi-Language, Harlingen CISD
